Scholarship Program

Valley Rural Electric Cooperative will award up to 15 \$1,000 scholarships this year to eligible students who qualify. The money to fund this scholarship program comes from unclaimed capital credits refunds that previously had to be turned over to the state. Thanks to the efforts of our political advocates, we can now keep those funds in our local communities.

- an active Valley REC member or dependent of an active member. (Valley REC directors and employees, and their dependents, are not eligible.)
- attending or planning to attend an accredited post-secondary institution.

Previous Brighter Future scholarship recipients are not eligible.
