Annual Benefit Golf Outing

Benefitting:

Jett Ickes

Crissy Kyle

Blake Reed

Dalana Snyder

Theo Joseph Hess-Garcia

Thursday, June 19, 2025
Huntingdon Country Club

We appreciate our sponsors, donors & golfers.
(See reverse side for details.)

Jett Ickes was born in November almost three months premature and has required a breathing tube since birth. He's spent his first months of life in a neonatal intensive care unit battling infections. Despite his rough start, he has tripled in size; and his parents, Jared and

Madyson Ickes of Altoona, are hopeful of him being weaned from a ventilator and improving.

Aaron and Cierra Reed of Altoona say their infant son, Blake, has bright eyes and a beautiful smile despite facing multiple health challenges. He was born in October with down syndrome and several heart defects requiring surgery. He also requires tubes for feeding and medicine. He's had lengthy hospital stays, but the Reed family says he's fighting to be home.

Crissy Kyle is a loving wife and mother. She and her husband, Andy, of Huntingdon, are the parents of two young children. Crissy was recently diagnosed with breast cancer. After surgery early this year, further treatment will be determined. Crissy is fondly known as "Mrs. Kyle" by her students at Standing Stone Elementary School.

Dalana Snyder, 18, is a senior at Mount Union Area High School (graduating in June 2025). She is the daughter of Dale Hamman and Robin Snyder of McVeytown. In April 2024 she was diagnosed with acute myeloid leukemia after bleeding complications from tonsil/adenoid surgery. Dalana developed multiple infections through her first four rounds of chemo, but thankfully the cancer is in remission. She is taking a chemotherapy pill all this year and still must make many trips to doctors in Lewistown and Danville.

One-year-old Theodore Joseph Hess-Garcia is the son of Collin Hess and Isabel Garcia-Fernandez of Waterfall. Theo was born with an airway disorder that requires him to use a ventilator and a feeding tube. He has a brain condition that led to epilepsy and will need hip surgery later this year. Though he will require lifelong care, Theo's family is hopeful about his prognosis.

Valley Rural Electric Cooperative, Inc.

14TH Annual Benefit Golf Outing

Valley REC's health and wellness committee organized its first benefit golf tournament in 2012. Since that time, the golf outing has evolved into an all-hands-on-deck event. Valley's corporate office and three district offices close on golf tournament day, and all employees lend a hand on the course for the culmination of an employee-driven fundraising effort for local families.

But we couldn't do it without you, our sponsors, donors and golfers. The generous support of a wide range of businesses and individuals helps our beneficiaries better meet the financial challenges associated with serious illnesses and accidents and lets them know their community cares.

Together, we've raised nearly \$415,000 since that first tournament. Thank you for contributing to this charitable effort. If you're new to our tournament - welcome. If you have supported the golf outing in the past - welcome back!
