We appreciate our sponsors, donors & golfers.  
(See reverse side for details.)

Five-year-old Abby Sholly was diagnosed with leukemia in June 2025. She has endured a bone marrow biopsy and blood transfusions and has two years of chemotherapy ahead of her. This resilient youngster is the daughter of Glenn and Sarah Sholly of Mill Creek.

Alyssa Starr of Huntingdon is a devoted mother of two beautiful children, Grayson, 13, and Ivy, 4. On her 32nd birthday last August, Alyssa was diagnosed with Stage 4 metastatic breast cancer, which had spread throughout her body. She is undergoing chemo and radiation treatments and has leaned on her strong faith in God through this ordeal.

Izzy Boyd, 14, of Huntingdon has a progressive and terminal degenerative disease. Her condition has advanced significantly, and her mobility has declined. As Izzy's needs increase, providing her care has become increasingly challenging. Izzy's brother Alex, 21, has the same condition and is further along in the disease progression. Izzy's mother, Samantha Gladfelter, has faced the grief of the sudden January 2026 passing of her husband, Johnny Gladfelter, as the family continues to face these medical conditions.

Blake Grove, 4, of East Waterford loves to play outside. He enjoys trucks, cars and dinosaurs. Recently, he was diagnosed with three brain tumors. He had

surgery in January to remove two of the tumors, and his medical team is planning the best path forward for him. Blake is the son of Steve Stoutzenberger and Maddie Grove.

Still grieving the sudden loss of a grandson, Carter Wagner, in July 2025, Sherry Honstine Miles and her husband, Wes, of Hesston learned that Sherry had esophageal cancer. A November surgery to remove part of her esophagus revealed complications with a blood vessel. After more testing, she had reconstructive surgery in December, to be followed by chemotherapy.

Since his birth in June 2025, little Liam Hughes has required many surgeries to his spine and abdomen. He has spina bifida and complications from having just one kidney. He remains a happy boy despite his medical conditions. He is the son of Shawn and Brooke Hughes of New Enterprise.

# 15<sup>TH</sup> Annual Benefit Golf Outing

Valley REC's health and wellness committee organized its first benefit golf tournament in 2012. Since that time, the golf outing has evolved into an all-hands-on-deck event. Valley's corporate office and three district offices close on golf tournament day, and all employees lend a hand on the course for the culmination of an employee-driven fundraising effort for local families.

But we couldn't do it without you, our sponsors, donors and golfers. The generous support of a wide range of businesses and individuals helps our beneficiaries better meet the financial challenges associated with serious illnesses and accidents and lets them know their community cares.

Together, we've raised nearly \$490,000 since that first tournament. Thank you for contributing to this charitable effort. If you're new to our tournament - welcome. If you have supported the golf outing in the past - welcome back!
