Electric Cooperative Youth Tour

Trip date: June 17-22, 2027

For students who will have just completed their junior year and will be seniors in the 2027-28 school year.

Each summer, Valley Rural Electric Cooperative sponsors high school juniors on the National Rural Electric Cooperative Association (NRECA) Electric Cooperative Youth Tour to Washington, D.C. Valley's students join other students from electric cooperatives in Pennsylvania and New Jersey and travel by motorcoach together to the nation's capital. There they meet high school juniors from across the nation, learn about the cooperative business model, meet with legislators and tour national attractions and monuments.

Valley REC sponsors juniors from member households, enrolled in public, private and home school programs across its eight-county service territory. Juniors whose parents/guardians are seasonal VREC account holders are also eligible to apply. Valley REC's Youth Tour committee will select recipients based on academic achievement, as well as participation in extracurricular activities and/or community service.

Applicants must provide their official high school transcript. Transcripts can be mailed or hand delivered to a Valley REC office in a sealed envelope. Or, an electronic copy can be emailed from a school employee or transcript service.

Applicants may attach additional information as necessary. Please keep application and additional pages together in a mailing or email, with applicant's name on each page.

Applications of students selected to participate in Youth Tour will be shared with the Pennsylvania Rural Electric Association (PREA), the coordinating entity for the Pennsylvania/New Jersey Youth Tour delegation. Selected students will be notified in early March.

Completed applications and transcripts must be received by Jan. 15, 2027.
